Comment on Submission(s)

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on April 13, 2005 has been entered.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, amend the sentence added to the first line by the amendment of July 31, 2003 to read:

--This is a divisional of Application No. 09/813,881, filed March 22, 2001, now United States Patent No. 6,774,385; the disclosure of which is incorporated herein by reference.--

Authorization for this Examiner's Amendment was not obtained since it corrects an obvious omission in the specification, as permitted by MPEP § 1302.04.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: it is agreed that the amendment to method claims 12 and 15 recites a step not disclosed or suggested by the coated glass electrode of Imai (EP0898421A2); the same recitation in medium (apparatus) claims 1 and 8

establishes a degree of bonding and chemical interaction between layers constituting a structural difference from the electrode structure disclosed or suggested by the coated glass electrode of Imai.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
